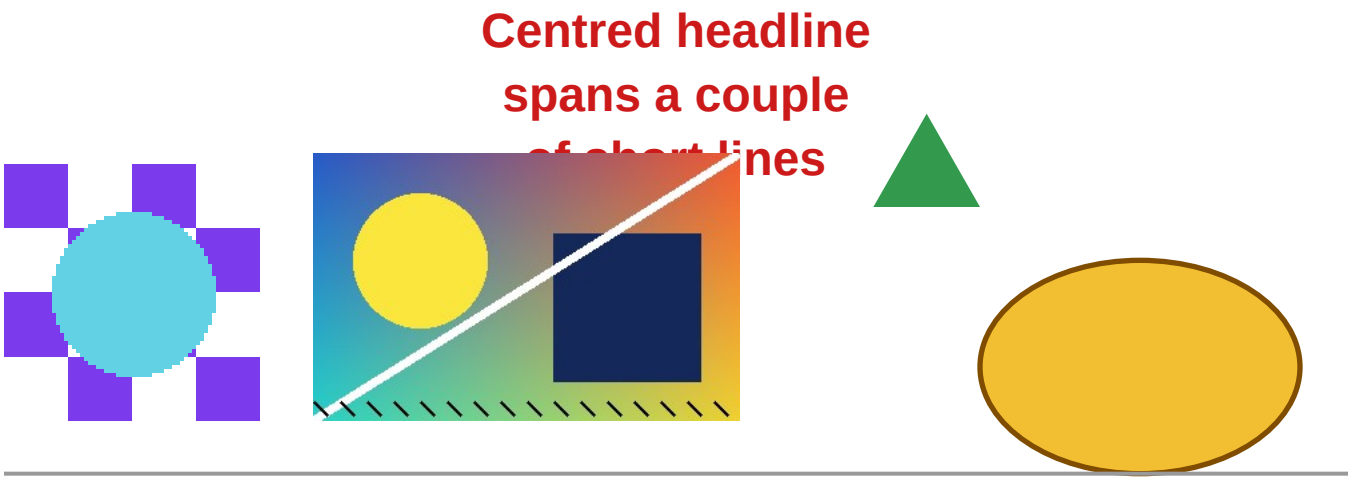
Annual Report 2025

OpenCanvas grew steadily this year. Our community of designers published more templates than ever before, and the editor became faster on every platform we support.

Next year we focus on collaboration features, better imports and a faster renderer.



Region	Q1	Q2	Q3
North	1,200	1,350	1,410
South	980	1,020	1,100
West	1,500	1,480	1,620

Figures in thousands.

Light text on a dark band

```
function hello() {
  return "world";
}
```
